

STORMWATER QUEENSLAND

FREE Student Membership of Stormwater Queensland

Stormwater Queensland would like to invite all undergraduate students who wish to pursue a career in Urban Water Management to apply for Student Membership of Stormwater Queensland at no charge.

Student members must be currently undertaking full time tertiary study (undergraduate). Student membership is not available for post graduate, masters or PhD studies, however individual membership of Stormwater Queensland is available.

Why Join Stormwater Queensland?

Stormwater Queensland is an incorporated, not for profit, association established in 1996. Through our State Committee and Sub Committees, Stormwater Queensland strives to:

- Promote the efficient management of stormwater in order to:
 - manage flooding
 - maintain environmental values of receiving waters
 - enhance community amenity
 - achieve the cost effective management of stormwater infrastructure
 - encourage a whole of watercycle approach to stormwater management
- Encourage best practice in the industry and to provide a forum for the various industry members
- Provide industry representation as the principle advisory body for the stormwater industry
- Raise professional standards of practice
- Provide information and knowledge exchange for professional development of the industry
- Operate in an effective and financially responsible manner.

Benefits of Student Membership of Stormwater Queensland include:

- Discounted registration fees to Stormwater Queensland and Stormwater Australia conferences, workshops, technical tours and social functions
- Access to Conference Papers delivered at Stormwater Conferences across the country
- Opportunities to network with industry practitioners representing local government, state government, manufacturers, consultants and other relevant stakeholders
- Receive the monthly electronic Stormwater Australia Bulletin which will keep you up to date with what is happening in the industry.
